The Chronology of Afonso Maria da Cruz,

He was arrested in his house on November 5, 1992 at 23.00 am after he was pursued by Indonesian Army (ABRI) since a year. His wife, Beatriz Duarte Alberto (Betty), reported to us that their house was ransacked in very violent way. The mattresses was teared to look for some documents, but they did not find anything. After the incident, they threated Betty not to say anything to everyone about the arresting of her husband. At present, Betty keeps on trying to report this case to International Red Cross (PMI), Bishop and Government.
